The Overnightscape - Beta #1 (3/13/03) 1:00:04 [202] I came up with the idea for The Overnightscape on Thursday, March 13, 2003. I was on my way home from work in NYC, riding the PATH train back to NJ. Here's exactly what I wrote on my Palm Pilot:

3/13/03 6:54 pm

non-meta half-hour talk show, just me

3/13/03 7:03 pm

the overnightscape
nightscans

I went home, set up my recording system, and started recording the show at around 9:55 PM - less than 3 hours after I wrote down my idea for the show and its name (wow, just think, it could have been called Nightscans...) What I recorded was The Overnightscape Beta #1 - a test show that definitely was not fit for release! ¶ This is the recording, which I originally released back on March 27, 2005 in celebration of the Second Anniversary of The Overnightscape. This release has much better audio quality than the previous release. But remember - it's really rough and weird and not very good. If you're a fan of The Overnightscape, though, you might find it interesting to listen to...

The Overnightscape - Beta #2 (3/20/03) 1:00:04 [202] A week after the first Beta Episode, I recorded another show (Beta #2), with the idea that it could potentially become the first real show - but this one as well fell short in several ways. It was not till the following week, on March 27, 2003, that the first official episode was recorded and released!

The Overnightscape #1 (3/27/03) 1:00:00 [101] The war in Iraq, being a loser in 1991, religious Canadians, and much more!

The Overnightscape #2 (3/30/03) 1:00:00 [101] More Gulf War II annoyances, prog rock, chads, people whistling in the bathroom, action figures, the mysteries of memory, and a heck of a lot more.

The Overnightscape #3 (3/31/03) 45:00 [101] Subway smells, radiation pills, ear hair, and many other lovely topics.

The Overnightscape #4 (4/3/03) 45:00 [101] Incense, tea, soldiers, candidates, candy, and an Iranian movie review. And more, yeah.

The Overnightscape #5 (4/10/03) 45:00 [101] Virginia, birch beer, bombs, Robin Williams, feces, and global warming.

The Overnightscape #6 (4/17/03) 45:00 [101] Frontier desperadoes, soft vanilla ice cream, airport wanders, song review (Monie Love's "Monie in the Middle"), movie review ("A Mighty Wind"), beverage review ("dn-L"), the Dreamland phones system and elevators, computer pinball games, Yoko Ono, time travel, and the smoking ban in NYC.

The Overnightscape #7 (4/24/03) 45:00 [101] Food courts, dandruff, abandoned warehouses, Bionic Woman scrapbooks, TV review ("Mr. Personality"), song review (Steely Dan, "The Last Mall"), food review ("McAnn's Irish Oatmeal"), rock concert review ("The White Stripes"), Iraqi freedom, bus etiquette, and drugs.

The Overnightscape #8 (5/1/03) 1:00:00 [101] An incident at the World Financial Center, watermelon incense, hand-drying injuries, Fox News, beverage review ("Sprite Tropical Remix"), album review ("The Teaches of Peaches" by Peaches), The Rowe-Manse Emporium, Beanie Babies, scorpion stings, cringe moments, and bad directions.

The Overnightscape #9 (5/8/03) 45:00 [101] Police boat romance, the Apple line moral dilemma, frangi pani, the Chinese puppet guy, the bus stop Sharpie

incident, a 7-year-old musical mystery is solved, FAO Schwartz, Larry David, and a crummy place to live.

The Overnightscape #10 (5/15/03) 1:00:00 [101] Lincoln Tunnel billboards, NYC subway situation, fruity currency, wine review ("2000 Chateau Roquefort Bordeaux"), snack review ("Freakin' Nuts"), bag review ("Columbian bag"), movie reviews ("X2: X-Men United", "The Matrix Reloaded"), rock concert review ("Yeah Yeah Yeahs"), The Layoff Story, Mercury retrograde, Strawberry Fields, and the "Lame Duck Session".

Frank Nora Show Numbering
(Originally posted March 24th, 2012 on TheOvernightscape.com)

The Overnightscape went though a period of chaos from approx. 2008-2010, where I recorded the show under a number of different names. On May 29, 2010, I decided to start fresh with The Frank Nora Show #1500. This was the 1500th show I had done, counting all the different shows – The Overnightscape, The Rampler, The Overnightscape Underground, etc.

Then, on May 9, 2011, I revived The Overnightscape, with The Overnightscape #782 – which was equivalent to The Frank Nora Show #1683. I continued to include the "Frank Nora Show Number" (in the format "F1623"), to continue counting all the shows I had done.

Today, March 24, 2012, I am reviewing the number, to make sure it is correct. The most recent show I did was "The Overnightscape 862: The Carleton Branch (3/22/12)" – with a Frank Nora Show Number of 1790. I double-checked this, and it was correct, counting episodes of The Overnightscape.

However, in my review, I found that in the time after FN Show 1500, I had done 22 additional shows that I would consider Frank Nora Shows. So, the adjusted FN Show Number for The Overnightscape 862 is… 1812.

The 22 additional shows are listed below:

Misc: 5
